

Lives Are Changed through the Living Waters Program.

Living Waters is a Christ-centered discipleship/ministry program for men and women seeking healing in areas of

sexual and relational brokenness; including pornography addiction, codependency, sexual addiction, homosexuality, sexual ambivalence, childhood sexual abuse, transgender issues, and difficulty in establishing and sustaining healthy relationships. Our next program is starting soon.

Here are some powerful testimonies from participants who had their lives changed through the power of Jesus Christ in the Living Waters program. They are used with the permission of the participants.

“Living Waters saved my life, my marriage, and my soul.”

A male participant.

“Through Living Waters I discovered more of who I am in Christ, so that I would choose to live for Him and not my flesh. I am free.”

A female participant.

“I came to Living Waters hoping it would ‘fix me’. What I found was not what I was looking for, but what I needed... and that was hope. It has been a tough, but rewarding 24 weeks.”

A male participant.

When I came to Living Waters, I was at the end of my rope. I had resolved to divorce my wife and embrace a gay lifestyle – and a fringe lifestyle even within that. I was going to try to be a good father to my three kids, and financially support my wife, but I was going to leave God and my marriage.

I was unhopeful that Living Waters would “help”. I’d been in similar ministries, and was still deep in sin. But the Lord met me. Through meeting with other men with similar and related struggles, engaging in brutally honest accountability, and in particular praying with, anointing, and laying hands on one another, the Lord met me, revealed new truths about Him, me and our relationship.

I am still struggling with strong desires. But my behaviors are more under control. I see in vivid detail that the path I almost took would have led to death and destruction, while God offers life and healing. I still have a long road ahead, but trust Him to deliver and restore me.

I came to Living Waters saved but broken. I was struggling to overcome lusts of the flesh and entertaining a toxic relationship while battle a cancer diagnosis. The Lord began speaking to me regarding the sickness and disease. Exodus 15:26. Every week during Living Waters the Lord reiterated that I am a child of God. How much I am loved and cared for by Him. Along with being set free from the bondage I was in, I was also healed of a stage four cancer diagnosis!!! I thank God for all that He is doing.

I came to Living Waters seeking deeper healing from God. He had already done so much healing and revealing truth that was so hidden and buried deep beneath the ground. But I wanted to go right down into the core of my inner being in the depths of God's healing hand. He has done that and so much more. I have never felt the Love of God and other's hearts shining that love as I did here. The heart of the Spirit truly was flooded through the atmosphere. The greatest healing I received from the Lord was in our small group when I just spoke straight from the heart of different times of sexual abuse/assault from a dark past. The

group leader wept with me as I took her hand and spoke the pain into the cross where Jesus bore it all and took it upon Himself. We waited silently as Jesus spoke so gently ending with, "I have loved you with an everlasting love." I am no longer fearful of men from the devastation that led to living a past life of homosexuality. My past is gone – washed by the precious blood of Jesus.

I came to Living Waters broken and in despair. I had been living a double life with anonymous sexual encounters with men. I am married with a beautiful family and have gotten infected with HIV. It has been an incredible struggle dealing with this. I have been faithful since my diagnosis, and have experienced deep healing and deliverance. I have come a long way on my journey. My marriage is stronger than ever. God has been so amazing to me. Living Waters has been a big part of my recovery and healing process.

Through Living Waters I found that I had many characteristics that I needed to change. This has opened my eyes and heart to see myself through His eyes. I am ever grateful for Living Waters.

A female participant.

"I now have more peace than ever before."
